Our Company Profile aims to give you a brief insight into our experience, key personnel and company culture. More detailed information is available upon request.

WE ARE

Based in JEDDAH, KSA

TBARK ALMOMYZA CO. is a leading electrical trading Company serving Projects in the Gulf and Middle East.

TBKM is agent, distributor and stockiest for leading European, American, Saudi and other brands in the field of electrical products. TBKM offers the expertise of its highly technical team composed of Engineers with a broad experience in the Electrical Market

Delivering excellence through our people

When we select our new employees, we seek passionate and talented people, with excellent hard and soft skills.

Essentially, we look for people who are creative, constructive and ready to experiment new things.

Our team is characterized by three levels of experience: Senior, Experienced and Junior engineers.

Through our vast experience we are able to provide the highest quality products at competitive prices.

Let us take charge of your electrical needs!

Distribution

Our Scope of supplies includes

Cables & Wires
Cables & Wires accessories
Cable tray systems
Termination kits & joints
Conduits & fittings
Earthing & lighting protection
Indoor & outdoor lighting systems
Lamps & control gears
Lighting poles
Power and distribution transformers
UPS
